II. HAZARDOUS INGREDIENTS

Ingredient	% Concentration	Worker Exposure Limits
Sodium Alkylaryl Sulfonate	5 - 10	N/A
Nonylphenol ethoxylate	15 - 20	N/A
Propylene Glycol	5 - 10	N/A

III. HEALTH HAZARD DATA

Probable routes of entry are skin, eyes and ingestion. For eyes and skin flush with plenty of clear water until irritation subsides. If eye irritation persists, seek medical attention.

If ingested, drink large amounts of clear water. Do not induce vomiting.

IV. SPECIAL PROTECTION INFORMATION

This is a complex blend of neutral surfactants. There is no special protection required. Use normal good industrial hygiene.

V. SPECIAL PRECAUTIONS

Keep out of reach of children. Protect product from extremes in temperatures. Store only in original shipping container.

VI. SPILL OR LEAK PROCEDURES

Flush with clear water to dilute then flush to sanitary sewer. Care should be taken during the cleanup of spills as floor will become extremely slippery and there is a high risk of slipping and falling. For large spills, soak up with absorbent material and dispose of in approved landfill.

VII. REACTIVITY DATA

This is a stable blend of biodegradable surfactants. There are no known incompatible materials. Hazardous polymerization will not occur.

VIII. FIRE AND EXPLOSION DATA

There are no known fire or explosion hazards. During fires, use whatever extinguishing media that is compatible with surrounding materials.

IX. PHYSICAL DATA

Appearance:	Viscous clear liquid
Odor:	Slight detergent odor. Option lemon or floral fragrance is added to some formulas.
pH:	7.4
Boiling Point:	212°F.
Specific Gravity:	1.02

NOTE:

The information provided on this Material Safety Data Sheet has been compiled from information obtained from the manufacturers of the raw material components of the product, as well as from laboratory tests on the finished product. There are no expressed or implied warranties to be derived from the information provided. The user assumes all risks in handling and must determine if this product is fit for its intended use.

The health hazards on this Material Safety Data Sheet apply to this product in its concentrated form (as supplied) and may differ significantly at use dilution. The signs and symptoms of overexposure apply only to negligence in handling or misuse of the concentrated product and not to the routine exposure to the diluted product under conditions of ordinary use.
