

# TECHNICAL DATA SHEET

## AS-45 RED DEGREASER

**Description:** This is a concentrated liquid detergent/degreaser composed of alkalis, silicates and surfactants. The addition of water softening agents in this product allows for free rinsing and economical use concentrations.

<b>Properties:</b>	Physical Form	Liquid
	Color	Red
	Odor	Synthetic detergent
	pH use solution	12.0 – 12.5
	Solubility	Complete in water
	Flash point	None
	Rinseability	Complete
	Biodegradable	Yes

**Uses:** This efficient degreaser is formulated to be used through a pressure washer or steam cleaner, although it may also be used through manual application. It may be used for the external washing of trucks, tractors, forklifts, farm equipment and other industrial equipment. It is very effective in removing grease, oil and dirt from driveways, concrete walls and oil rigs.

**Dilutions:** Use concentration will vary from 2 to 9 oz. per gallon of water, depending on the type of soil and the type of cleaning equipment being utilized. Hot water and agitation will aid in the cleaning process.
